# YOUR WEDDING AT...

*Parkmore*  
HOTEL

A huge congratulations on your engagement!

Now is the time to start your wedding planning process and choose your dream venue.

Located just up the road from the picturesque town of Yarm, The Parkmore Hotel is an elegant and contemporary venue that hosts spectacular weddings for up to 100 people.

Having recently undergone a vast refurbishment, this historic Victorian residence has been renovated with the utmost care.

At Parkmore, we only allow for one wedding per day, so all of the focus is on you and your wedding.

With our spacious function rooms, plenty of indoor and outdoor photo opportunities and professional staff throughout every interaction you have here.

We will work with you to create the bespoke day of your dreams and are very much looking forward to discussing all of your ideas.

# THE EXPERIENCE

Our experienced wedding team are on hand seven days a week to take care of any stresses you may have leading up to your big day.

We like to make the experience as easy for you as possible, with most weddings being planned in just a couple of meetings. However, if you feel like you need to have a bit more contact, we are always on hand for your questions.

Please feel free to let us know about any unusual ideas or requests you may have and we will do our best to accommodate them for you, whether that be working with the chef's to tailor your menu or booking that 'must-have' entertainment you've had your eye on.

# THE CEREMONY

If you wish to have your ceremony on site with us, The Yarm Suite is perfectly accustomed to hosting the celebration and provides the perfect romantic backdrop.

With spacious seating for up to 80 people, we are licensed to hold civil ceremonies booked directly with Stockton Registrars, humanist ceremonies or other.

Located on the ground floor, the suite is spacious and has recently undergone refurbishment and redecoration in a neutral colour scheme - chosen to help compliment your chosen colours and design for your big day.

The spacious and bright room opens out directly onto the courtyard, which is a fabulous spot for your first drink as a newly married couple.

The courtyard itself is a glorious suntrap and acts as the picture-perfect entrance to walk down the aisle.

If a civil ceremony isn't for you, you are welcome to travel to us following your ceremony in a local church.

The Yarm Suite is the ideal option if you prefer to have a more intimate wedding reception.

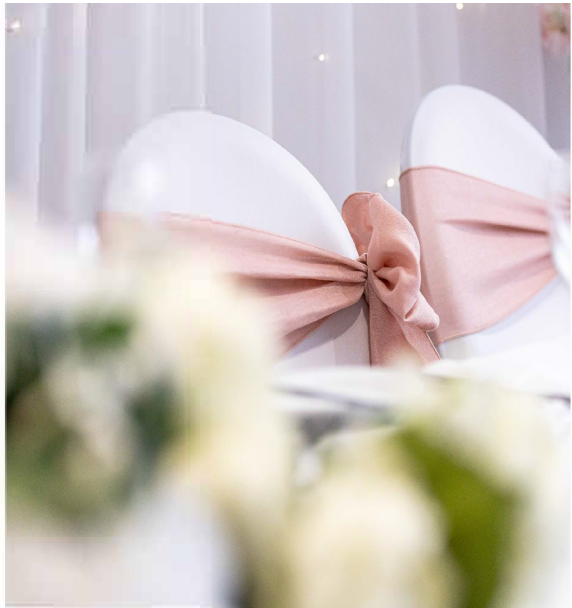

# THE RECEPTION

The Bramhall Suite is our largest function room, comfortably seating up to 100 people and we think this is the best location for your Wedding Reception.

With a bright conservatory to one side, wooden floors and plenty of space for moving around and dancing, we can arrange the room to your personal specification - this room is your blank canvas to show off your own wedding style.

Featuring a private bar within the room which is exclusive to you and your guests, the Bramhall Suite is a brilliant option for your wedding breakfast and the reception to follow.

# PACKAGES

Our packages have been designed to suit all budgets -from our 'Classic' package right through to the 'Fairytale' package which has all the bells & whistles to make for a truly memorable day.

Any of our packages can be amended to suit your needs, or we can create something completely bespoke just for you.
